"Crossing to Safety"-April 26th Book Club Reading
We will read "Crossing to Safety" for our April 26 meeting which will also be from 7 to 8:30. It is a story about the complex relationships of two academic couples and very rich reading. One theme involves a discussion about the meaning of intimate relationships. This involves the two couples, but also the individual relationships within those couples. I hope you enjoy it and join our discussion.

CFCU - Gun Violence Prevention Update
Community UCC is a member of Colorado Faith Communities United to End Gun Violence - a mouthful, so CFCU. This past week, there was an update with several state senators and representatives. There are now 2 common sense bills in the legislature. 

**HB21-1106 Safe Storage of Firearms**-This bill is meant to be like laws around car seat and seat belt use - so that safe storage of guns (multiple means allowed) will become an expected behavior. This will make a lot of progress to prevent accidental shootings, particularly in youth, as well as death by suicide.

**SB21-078 Reporting Lost and Stolen Firearms** - This is asking gun owners to know where their guns are and report lost and stolen guns within 5 days. It will also require law enforcement to enter the data into a national crime base.

If these laws speak to you, please contact your representatives. In particular, they like to hear stories and personal experiences. If you are interested in testifying, let me know and I can add you to the CFCU rapid response email list. Laura Terpenning, CUCC rep to CFCU
