**T3** 2 tickets to the Rocky Mountain Revels on 12/20

The Christmas Revels—An Irish Celebration of the Winter Solstice

This year's Christmas Revels is set in 1907 as Irish emigrants, leaving family and possessions behind, board the RMS Carpathia in search of a new life in a new land. Join us as we celebrate the Celtic traditions of Christmas and the rituals of the winter solstice—the shortest day—when we welcome the return of the sun's warmth and recognize the cycle of the seasons. With authentic fiddling, storytelling, Irish step dancing, and the singing of soulful carols, it's an original Revels show featuring a fabulous community cast, a cheery children's chorus, and a proud piper that's bound to brighten your holiday heart.

Our featured guest artist is Peyton Davis, the two-time winner of the North American Irish Dancing Championships.

**MM9** Authentic Cajun Gumbo for 8-10 people, delivered to your door!  
Gumbo-on-Demand Serves 8 to 10 hungry people

Enjoy an authentic Cajun gumbo with family and friends on a cold winter's night.

Just place your order with Barbara, and gumbo will be delivered to your home on the appointed date, along with a loaf of crusty French bread and a pot of rice, if you don't want to cook your own. Please allow 2 weeks advance notice since the gumbo cooking process takes three days.

What's in the pot? You'll find a hearty mix of turkey or chicken, gulf shrimp, Louisiana sausage, okra, tomatoes, onions, garlic, and seasonings. The okra replaces a roux as a thickener, though the chef does add slight amount of a dry roux mix. This could be left out of the recipe for our gluten-free friends. Otherwise the recipe stands as is.

Note: Born and raised in Baton Rouge, Louisiana, Barbara's maiden name, Hebert, is French and pronounced A-Bear.
